### Margaret River Semillon Sauvignon Blanc

**Rating:** 86 ★★★★★  
**Drink:** now

More interesting than many others in the genre, crisp dry white with finesse rather than power, with the flavour finishing with layers of citrus and passionfruit.

### Margaret River Cabernet Merlot

**Vintage:** 2007  
**Rating:** 84 ★★★  
**Drink:** 2012

A berry and herb style of cabernet that goes to savoury and marmite with age. The flavours are built on berry fruit rather than tannin, suiting the café food culture.
