

LONG FLAT

MATCH OF THE DAY

An affordable wine option, without compromising our taste for finer things, would be the resurrection of the tetra pak. And, they come with green credentials: each holds a litre and produces 75 per cent less carbon emissions in production than a regular 750ml bottle. The quality is extremely good due to traditional blends of reliable grape varieties.

THE B-PAK (IT'S A BOTTLE IN A PACK)

ALL THE BENEFITS OF A BOTTLE.
ALL THE CONVENIENCE OF AN ENVIRONMENTALLY FRIENDLY PACK.
ANOTHER SIMPLY GREAT IDEA FROM LONG FLAT
