

SHIRAZ VIOGNIER 2008

Drink Me!

When it was launched in 1966, Long Flat came in the dual no-nonsense styles of Red and White. It has moved with the time, and the two varieties have grown to 10. It's still here, still a good drop and still a bargain. This shiraz viognier is a nicely balanced wine with ripe, intense fruit.

Easily worth the money, as is its pinot grigio sister.
