2006

## CHARDONNAY

In this fast paced changing world, it is nice to know that some things just stay the same. With each new vintage we search for the best wines from throughout Australia to ensure that the Kissing Bridge Chardonnay you drink this year, will be the same outstanding wine for each year to come.

Kissing Bridge Chardonnay is a stylish, full flavoured wine that can be enjoyed with or without food.

### **VITICULTURE**

The 2006 growing season in South Australia was near perfect. Good winter rain was followed by lovely weather during fruit set then a nice long growing season.

### **WINEMAKER'S COMMENTS**

Our aim with Chardonnay is to produce a fruit driven style. There is some oak there - but it's in the background - like salt and pepper on a good meal. Enjoy the melon and peach like aroma and refreshingly crisp flavour.

Try with fish, veal or as a sip before dinner.
