2004

## MERLOT

In this fast paced changing world, it is nice to know that some things just stay the same. With each new vintage we search for the best wines from throughout Australia to ensure that the Kissing Bridge Merlot you drink this year, will be the same outstanding wine for each year to come.

### **VITICULTURE**

The 2004 growing season in South Australia's premium wine growing regions was just about perfect. It followed the difficult, drought effected 2003 vintage, making harvest and wine making a lot easier.

### **WINEMAKER'S COMMENTS**

Kissing Bridge Merlot has always been a soft, easy to drink style. The aroma is of dark plums and chocolate. The flavour has all the richness and fruit character that we look for in Merlot.

Drink and enjoy now with good food and friends.
